

## How to Access the New Outlook Web Access Email System

Navigate to <http://palmbeachstate.edu/exchange> and in the User name box put your email address **WITHOUT** the "@palmbeachstate.edu" and put your email/network password in the password box:

The new email page looks like the picture below. You can see how to use the new features at <http://www.microsoft.com/exchange/code/OWA/index.html>. If you have questions or problems, be sure to contact the iTAC / Help Desk at 868-3100 or x3100
