Class Policies

Attendance Policy

Students are expected to attend all courses and course activities for which they are registered. Any class meeting missed, regardless of cause, reduces the opportunity of learning and may adversely affect a student’s achievement in the course. Students are required to attend at least 90 percent of the class meetings in order to receive credit for the course. An accurate record of attendance will be kept. If a student misses more than 30 minutes of a class session, he/she will be counted absent. Three tardies will count as one absence. Leaving early is the
same as being tardy.

Participation points and in-class assignments are frequently given, and these points are available only if you are in attendance that day. Students will be permitted up to **THREE** absences; **three points will be deducted** from the participation score for each of these absences. Absences beyond those permitted will result in a penalty of **ten additional points** for each absence, deducted from the student's final participation points for the course. You are responsible for any material missed during an absence. Students missing more than five classes will receive a WX for nonattendance (or an FX if withdrawal date has passed).

Instructor reserves the right to deny attendance to any student due to incomplete homework required for class participation or tardiness if disruptive to class activities.

Assignments are accepted for full credit only on the date they are due. If you are absent on an assignment due date or have not completed the assignment on the due date, you may turn in the assignment the following class period for a 50 percent deduction (this policy includes speeches). Note: If you are tardy on your speech date, you may NOT give your speech on that day, and it will be considered late.

The attendance policy is effective immediately upon registration in the course. Students who have never attended the class will have one class meeting following the end of the conclusion of the drop/ add period before they are reported for nonattendance. Students will not be reinstated in the course once reported to the Registrar for non-attendance.

When officially representing the College, such as on a field trip, students shall not be counted absent, provided their faculty/instructors are given prior notification and any missed assignments are subsequently completed. Students will be granted excused absences in the case of a substantiated emergency such as a confining illness, a serious accident, the death of an immediate relative, or a religious observance.

As per your student handbook, faculty decide on the validity of the excuses and provide opportunities for students to complete any required makeup work. Students are responsible for immediately informing their faculty/instructors when they must miss class sessions for emergencies. Note: Only two excused absences will be permitted for the term.

**Electronic Device Policy**

All cell phones and smart watches must be turned off or to vibrate before entering the classroom. No texting is permitted during class. Violators of this policy will write a two-page essay reflecting on the issue.

**Late Assignment Policy**

Assignments are accepted for full credit only on the date they are due. If you are absent on an assignment due date or have not completed the assignment on the due date, you may turn in the assignment the following class period for a 50 percent deduction. You will be presenting as part of a "company" (a group of students in class). If you miss a company presentation, you can only receive credit on written work, if completed with group, but you cannot receive credit for the company's presentation (half of each grade).

**Make-Up Exam Policy**

If a student misses class on the date of an in-class exam, the student must make arrangements within 24 hours of the absence to make up an alternative exam outside of class. If the exam is not made up within 7 calendar days of the exam date, the student will receive a 0. Exams will be made up for half credit, unless acceptable (as per instructor) documentation is immediately provided. Make up exams will be in a different format than original exam.

**Withdrawal Policy**

Any student missing more than five classes in the term will be withdrawn by the professor, with a grade of "WX" being assigned (if after withdrawal date, a grade of "FX" will be assigned). Students wanting a "W" in the course will need to withdraw themselves.

**Academic Dishonesty Policy**
