"It wouldn’t be the Holiday Season without the Nutcracker!"

THE NUTCRACKER

DINOLIGHT, formerly known as Darwin the Dinosaur, was the recipient of the prestigious Jim Henderson Foundation Grant and is the first featured-length theatrical production created and performed by creators Ian Carney and Corbin Popp. In this original storyline, a famous scientist with magic powers brings a friendly dinosaur to life. When the dinosaur wanders away from home, he discovers a wonderful world full of creatures that light up the darkness and help him find the true meaning of love. This glow-in-the-dark adventure is visually stunning and has been praised for its cutting edge blend of puppetry, technology and dance by audiences all over the world.

DON’T LET THE PIGEON DRIVE THE BUS!

Whatever you do, don’t let The Pigeon star in his own musical production! Because it’s not easy being The Pigeon- you never get to do ANYTHING! But when the Bus Driver has a crisis that threatens to make her passengers (gasp!) late, maybe that wily bird CAN do something. Starring an innovative mix of actors, puppets, songs, and feathers, Don’t Let The Pigeon Drive The Bus! (The Musical) is sure to get everyone’s wings flapping. With a script written by Mo Willems, the creator of the #1 New York Times best-selling, Caldecott-honor award winning Pigeon picture books, along with longtime collaborator and Disney Jr’s Muppet Babies executive producer, Mr. Warburton, and featuring music by Deborah Wicks La Puma, the composer behind Elephant & Piggie’s We Are In A Play! and Naked Mole Rat Gets Dressed: The Rock Experience, this comedic musical production is even more fun than staying up late and having a hot dog party!
