General Education Courses: AA degree students must meet all general education requirements as published in the catalog. All general education courses must be completed with a "C" or higher. Please see an advisor if you have any questions.

Elective Courses: AA degree students should select electives that support their program of study. Please see an advisor if you have any questions.

For All Majors: Students are strongly encouraged to select required lower division electives that will enhance their general education coursework and that will support their intended baccalaureate degree program. Students should consult with an academic advisor in their major degree area.

Notes:

- (1) Choose programming language required by the university which the student wishes to transfer.
- (2) Science course for science majors.
Universities may have individual specific grade requirements for each prerequisite course. Consult the program for details.
