ACCOUNTING APPLICATIONS

Students who completed designated CTE courses in the above high school program may qualify for specific college credits after enrolling at Palm Beach State College and declaring one of the following program codes:

College Credit Certificate in:

Accounting Technology (CCC 6110)	Business Administration and Management (CCC 6111)
Business Operations (CCC 6481)	Marketing (CCC 6113)

Associate Degree in:

Accounting Technology (AS 2050)	Business Administration and Management (AS 2039 A/B/C/R)
Business Entrepreneurship (AS 2040)	

Student must meet all Palm Beach State College admission requirements* into one of the college credit certificate or AS degree programs listed above and present evidence of:

- A standard high school diploma - students must apply and register at Palm Beach State College within two years of completing high school in Palm Beach County (students working in field may petition for a waiver of the two year rule)
- "B" (3.0) grade average or better in the specified high school/secondary coursework
- College Placement testing requirements as needed(visit www.PalmBeachState.edu/testing)
- Completed college preparatory course requirements as needed
- Completed required assessment(s)-- see the campus associate dean responsible for the programs listed above (found in Appendix A) for details of assessment and final evaluation of credit to be granted by Palm Beach State College

*The SACS accreditation requirement for residency "Complete 25% of the program at Palm Beach State College" has already been satisfied and is not required to obtain the articulation credits. Students who completed the high school courses, but fail the stated assessment will have to take the college level courses and earn a passing grade on them to obtain the contact hours or credit.

Course Translation Table:

High School Accounting Applications Program of Study			
8207310 Digital Information Technology	8203310 Accounting Applications 1	8203320 Accounting Applications 2	8203330 Accounting Applications 3
Assessment			
Complete high school courses with a "B" or higher*			
Pass Palm Beach State College Challenge exam with 80% proficiency or provide verification of Microsoft Certification in Word, Excel, & PowerPoint at the Specialist level***			
College Course/Credit (Clock Hours)			
APA1111	Bookkeeping *	3 credits	
CGS1100	Microcomputer Applications***	3 credits

INTRODUCTION TO INFORMATION TECHNOLOGY

Students who completed designated CTE courses in the above high school program may qualify for specific college credits after enrolling at Palm Beach State College and declaring one of the following program codes:

Associate Degree/CCC in:

Any CCC, AA or degree that includes CGS1100

Student must meet all Palm Beach State College admission requirements* into one of the college credit certificate or AS degree programs listed above and present evidence of:

- A standard high school diploma — students must apply and register at Palm Beach State College within two years of completing high school in Palm Beach County (students working in field may petition for a waiver of the two year rule)
- “B” (3.0) grade average or better in the specified high school/secondary coursework
- College Placement testing requirements as needed(visit www.PalmBeachState.edu/testing)
- Completed college preparatory course requirements as needed
- Completed required assessment(s)—see the campus associate dean responsible for the programs listed above (found in Appendix A) for details of assessment and final evaluation of credit to be granted by Palm Beach State College

*The SACS accreditation requirement for residency “Complete 25% of the program at Palm Beach State College” has already been satisfied and is not required to obtain the articulation credits. Students who completed the high school courses, but fail the stated assessment will have to take the college level courses and earn a passing grade on them to obtain the contact hours or credit.
